

National Summit on School Safety

March 1-3, 2019

Birmingham, AL

Thank you for your interest in applying to attend the *Powered by Teach To Lead* National Summit on School Safety.

All applications MUST be completed online by going to www.notinmyschool.com and clicking on “Apply to Attend.”

To help you gather the information you will need and prepare your narrative responses in advance prior to launching the online application, we have listed the required information and application questions below.

Please note: Once you begin the online application, the information you entered will be saved as you go. If you are unable to complete the entire application in one session, you can logout and return to your application at any time until the deadline. All applications must be submitted online no later than December 14, 2018 at 5:00pm ET.

Part 1: Contact Information

Name of Team Representative (first and last):

Urban

I understand that by submitting an application, I am agreeing to attend the summit if invited. If invited, I understand that my registration, housing and meals will be provided at no cost to me but **that I will need to arrange and pay for my personal transportation to and from the event.**

I also understand that I will be required to participate in pre-summit activities including, but not limited to, planning webinars and conference calls. I further understand that I am not submitting a proposal but will be working with a team of teacher leaders to develop a framework.

Applicant Questions

Please complete the following questions by providing as much detailed information as possible.

Question 1 of 6:

Describe the immediate school safety concerns your team has for your school/district and a plan of action that you have developed or would like to create in order to address them including staff training.

Question 2 of 6:

Describe a plan of action you have developed or would like to create in order to provide for the social emotional learning needs of your students and the appropriate training for the staff to implement the program in your school.

Question 3 of 6:

Describe a plan of action you have developed or would like to create in order to address mental health issues in students, including staff training and how to work directly with parents.

Question 4 of 6:

Has your district purchased equipment for classrooms, first aid, communication and/or addressed structural issues (doorways, windows, etc.) specifically in response to the threat of a school shooting or other act of extreme violence? If YES, please describe below. Otherwise please enter None or Don't Know.

Question 5 of 6:

Do you have a recommendation for new policy for lawmakers (state/national) to consider to improve social emotional learning opportunities and mental health service for students as well as the appropriate training for educators? Please explain.

Question 6 of 6:

Other: Please let us know if there is something else you'd like to share at the summit that is not covered in the questions listed above. Please explain.
